INSTRUCTIONS FOR USE

Logistics

Each legislative session we'll be hosting an Officer Updates Session.

If you would like to give an update, please submit your slide by the day of the meeting by 5pm

Place your slide anywhere; I'll be reformatting the order before the meeting as follows:

- Committee Chairs (alphabetical order)
- Cabinet Members (alphabetical order)
- Vice President
- President

Aesthetic

Use any of the next few slides as templates for yours.

Right click on the slide you want to copy on the left side slide summary, copy it, and paste it into each week's slide show.

It's easier for people to follow a slideshow if all the slides are formatted similarly, so try to keep your slide similarly formatted w the same font, background, ... (feel free to reduce font size to fit all your words on there, but also try to keep the slide relatively decluttered)
